MOLDED SPLASH GUARDS. Designed to help protect your Grand Cherokee's body panels by deflecting gravel, salt and other road debris. Guards feature the Jeep® Brand logo.

MOLDED RUNNING BOARDS. These premium running boards are constructed of heavy-gauge steel, aiding in safe, easy entry and exit from your vehicle. Boards feature a Black outer cover with chrome accents.

ILLUMINATED DOOR SILL GUARDS. Add a touch of stainless steel style to your vehicle while protecting its interior door sills from scratches. The Jeep® Brand logo illuminates when the door is opened. Designed to enhance Limited®, Overland® and Summit® models.

BRIGHT PEDAL KIT. Stainless steel pedal covers add bold brightwork to your footwell. Rubber inserts on pedals provide positive traction. No drilling required.

CARGO BARRIER. Minimize distractions when you travel and keep your four-footed family member safely restricted to the rear cargo area of your Grand Cherokee. This adjustable, low-glare, black steel barrier is custom-fitted and ready to install.

REVERSIBLE CARGO MAT. This non-slip, custom-fit cargo mat features a rubberized side to prevent cargo from sliding and a soft fabric side to protect your vehicle's interior carpet. The mat is easy to remove for cleaning.

HITCH RECEIVER. Receiver features a two-inch opening and, when properly equipped with weight-distributing equipment, allows it to tow up to 2812kg (4x4 3.6L engine), 3500kg (4x4 3.0L engine) & 2949kg (6.4L engine). Please refer to Owner's Manual for safe use.

CHROME EXHAUST. Enhance the appearance of your vehicle's existing exhaust system with this easily installed accessory. The chrome tip adds a polished finish and touch of class.

CHROME FRONT AIR DEFLECTOR. Deflect road debris, dirt and insects away from your vehicle's hood and windshield with this easily installed accessory. The wraparound style creates an air stream to help direct debris up and away from the hood.

HITCH-MOUNT BIKE CARRIER. Hitch-mount carrier comes in two-bike and four-bike styles (both fit two-inch receivers). Each style folds down to allow your vehicle's liftgate to open without having to remove bikes. Carrier features carrying clamps and security cable.

ROOF MOUNT KAYAK CARRIER. Integrated rubber pads and felt-lined saddles keep your kayak secure. Carrier includes transportation straps and mounts to the Sport Utility Bars or Removable Roof Rack Kit.
